

IMPULSADORA HOTELERA Y TURISTICA LTDA "HOTURIS LTDA" stands out for the quality of its products and the high commitment of the sustainable management of our activities, promoting the use of sustainable practices oriented to prevent, reduce or eliminate the impact of our activity with the environment and compliance with legal tourism regulations. That is why our suppliers must be companies committed to sustainability.

IMPULSADORA HOTELERA Y TURISTICA LTDA "HOTURIS LTDA" has as sustainable tourism policy to follow all the legal requirements that regulate the effects generated by the tourist activity. Likewise, we commit to motivate and train our staff with training and awareness actions on the principles of sustainable tourism, promoting the following principles:

- When planning your trip, choose those providers who offer guarantees of quality and respect for human rights and the environment
- Try to minimize the generation of waste and avoid the use of plastic bags as much as possible
- In a natural space, let us make sure that the only footprint left behind is that of our shoes
- We must not acquire flora and fauna or products derived from these species, it is a crime and contributes to its extinction.
- When buying gifts and souvenirs, look for products that are an expression of the local culture, favoring its economy and cultural diversity.
- We refuse exploitation, pornography and sex tourism and other forms of sexual abuse with minors is against the law.
